

# Accepting Checks Just Got Easier

## INTRODUCING **next** *chex* FROM MASTERCHECK

### Check Authorization, Deposit & Recovery

A completely comprehensive service, NextChex authorizes and deposits checks into your account from this point of sale terminal. This is a brand-new twist on check conversion that allows merchants to enjoy increased cash flows, while saving on processing costs. Authorization, imaging and depositing are completed with one terminal and a few keystrokes. Notification of returned items occurs within 48 hours (two business days).
